

The **FAME Leaders' Circle** is a distinguished group of FAME Scholars who set themselves apart through academics, program participation, service, leadership, and extra-curricular involvement. Each year FAME Scholars are inducted in the FAME Leaders' Circle for going above and beyond the basic expectations of all FAME Scholars (Maintaining A's and B's, Mandatory FAME Program Attendance, and Exemplary behavior in and out of school). FAME Leaders' Circle Inductees are self-motivated, focused, and are further distinguished by their designation as the FAME Scholar of the Year. All FAME Leaders' Circle Inductees have earned Straight A's on each report card for an entire school year and are selected to be inducted by the FAME Staff. Annually, FAME Leaders' Circle Inductees are financially rewarded for their achievements. Each FAME Leaders' Circle Inductee receives:

1. A \$50 Visa Gift Card
2. An additional \$250 of Enrichment Support Funding during the school year they are inducted
3. A FAME College Scholarship Pledge of \$500 to be distributed to the college or university they select in their Senior Year of High School.

A FAME Scholar can thereby, not only receive scholarship support to attend an Independent Private School during their 3rd-12th grade years but through hard work and dedication, they can also set themselves up to accrue funding for college while they are in Lower, Middle, and High School. Each Inductee will be asked to share an impact statement.

In this inaugural year, FAME is proud to name the following FAME Scholars as FAME Leaders' Circle Inductees:
