

# FAME'S COVID-19 UPDATE

We value our FAME Scholars, FAME Academy students, and our FAME families and we remain committed to the health and safety of our board of trustees, staff, volunteers, faculty, and community partners. The FAME staff is working 100% remotely with calls being answered in a timely manner as we remain accessible via email, phone, and video conferencing. Our team is working actively to ensure prompt responses and that our FAME Scholar tutoring and programs and FAME Academy classes are both operating virtually and effectively. Our team has a working plan to ensure prompt responses/actions. We can be reached by calling the FAME office phone number at 412-363-5553 or by emailing us. Thank you for your trust in FAME and we appreciate your understanding and patience during this time.
